Minutes

The meeting was called to order by President Bruce Botelho at 5:36. In attendance were John Laskey, Teri Laskey, Cindy Boesser, Judy Regan , Linda Kruger, Jeff Gnass and Jane Stokes.

Minutes of the meeting held September 13, 2011 were approved.

The treasurer reported that JIF is in good financial condition ending the year with \$8,000.00 in it's coffers.

The Lee Otterholt workshop will be held the weekend of February 23, 2013. Discussion regarding location began when the phone call was received from Ed Carrillo confirming use of the Filipino Hall. As Lee arrives late on Friday the workshop will be all day Saturday and Sunday afternoon. Plans for social events such as pot luck dinner on Saturday and/or Sunday brunch will firm up as the dates get closer. Amy Fletcher has agreed to interview Lee for the Thursday, 2/21 edition of the Empire. We hope for publication of that article.

Jeff agreed to investigate and update the website to moderate costs.

It was decided that Bruce would pursue inviting Ari Levitt to come as guest instructor for a social dance (more specificity yet to be determined) workshop in April. He would want us to cover his cost and split the gate. Linda Kruger offered to donate air miles.

When the PAC is built, a common costume center is planned for use by all performing arts groups. It was decided that we would donate at least the majority of our costume inventory to that effort. Judy has donated one of each of several sets of costumes to the university in the past.

The annual meeting is set for March 2, 2013 at Bruce's and will include a pot luck dinner.

The meeting was adjourned in time to begin dancing at 6:05 pm
